

REMARKS

In the Advisory Action mailed on December 27, 2006, the Examiner noted that the requirements of claim 22 were inconsistent with the specific limitations now set forth in claim 20, and that claims 23-35, 37 and 38 were dependent upon a canceled claim.

By this Amendment, Applicant has canceled the inconsistent claim 22; combined the subject matter of allowable claim 21 into claim 20, and corrected the dependencies of claims 23-35, 37 and 38 so as to depend from independent claim 20.

It is believed that these actions will fully place this application in condition for allowance and such action is respectfully requested. Should any points remain in issue, which the Examiner feels could best be resolved by either a personal or a telephone interview, it is urged that Applicant's local attorney be contacted at the exchange listed below.

Respectfully submitted,
